

FIRST FRC Rack 'N' Roll Score Calculator

User's Guide

This Official FRC tool was designed to aid teams in developing their scoring strategy. Please refer to section 7.3.6 of the 2007 FRC Manual for complete details on scoring Rack 'N' Roll.

Installation:

- 1) The current version of the Score Calculator requires that Microsoft .NET 2.0 Framework be installed. Systems requirements as well as the link to download this software can be found via the following link: [.NET 2.0 Framework](#)
- 2) Run the Score Calculator, available [here](#).

Instructions for Use:

Game pieces are limited to 3 Keepers and 18 Ringers per alliance. A total of 4 Spoilers are available after Autonomous Mode. Use the Autonomous checkbox to change modes. Total score per alliance is shown in the lower right hand side of the screen. The Reset button clears The Rack of game pieces.
